

## CERTIFICATE OF ANALYSIS

Standard product specification — applicable to all consignments of this product and grade supplied by Scapex Exports Pvt. Ltd., manufacturer and supplier of quality chemicals.

|                   |                           |
|-------------------|---------------------------|
| Product Name      | Cationic Polyacrylamide   |
| C.A.S. Number     | Not applicable            |
| Molecular Formula | —                         |
| Molecular Weight  | —                         |
| Grade / Standard  | Technical, high charge    |
| Physical Form     | White granular powder     |
| Product Category  | Water Treatment Chemicals |
| Country of Origin | India                     |

### ANALYTICAL RESULTS

| S. No. | Test Parameter            | Specification                        | Result                 | Method                    |
|--------|---------------------------|--------------------------------------|------------------------|---------------------------|
| 1      | Description               | White granular powder                | <b>Complies</b>        | Visual                    |
| 2      | Solubility                | As per specification                 | <b>Complies</b>        | Visual / Monograph        |
| 3      | pH (1 % aqueous solution) | As per specification                 | <b>7.3</b>             | Potentiometry             |
| 4      | Matter Insoluble in Water | Not more than 0.5 % w/w              | <b>0.131</b>           | Gravimetry                |
| 5      | Iron (as Fe)              | Not more than 50 ppm                 | <b>3.8 ppm</b>         | ICP-OES                   |
| 6      | Heavy Metals (as Pb)      | Not more than 10 ppm                 | <b>Less than 5 ppm</b> | ICP-OES                   |
| 7      | NSF/ANSI 60 suitability   | Suitable for potable water treatment | <b>Complies</b>        | Manufacturer declaration  |
| 8      | Moisture                  | Not more than 1.0 % w/w              | <b>0.45</b>            | Karl Fischer / Gravimetry |
| 9      | Structure                 | Conforms to reference structure      | <b>Complies</b>        | FTIR / NMR                |

#### Remarks

Material supplied against this specification is analysed on every production lot and **conforms** to the limits stated above in all tested parameters. Results shown are the typical values obtained for this grade.

Retained samples are held against every export consignment. Store in tightly closed original packing, in a cool, dry, well-ventilated place away from incompatible materials and direct sunlight.

#### Checked and Approved by
